

GHOST 200-250

MANUAL SELF-PERFORATING PUNCHING MACHINES

Manual self-perforating punching machines for plastic eyelets.

For small production volumes.

> Manual self-perforating punching machines for plastic eyelets

NEW Possibility to work with nickel plated steel eyelets by substituting the punch-die.

> Time saving: the machine punches a hole in the material and applies the eyelet and the washer in one single operation

CLEAR EYELETS

- They disappear in the material
- Perfect for outdoor, do not rust
- UV protection
- PVC free
- Heavy metals free (lead, cadmium and mercury)
- Anti-corrosives free: hexavalent chromium
- Chlorides and phthalates free
- Environmentally friendly: perfect match with green inks
- Can be recycled with the media

> Applications: advertising banners, tarpaulins for outdoor and indoor use, PVC coated fabrics for visual communication, sunblinds, roofing, punching of truck tarpaulins and many others

> Ghost 200 works fixed on a table, Ghost 250 is portable

SUITABLE FOR:

- PVC banner
- PVC textile
- Semi-expanded PVC
